

Manage your Business Potential

David Ellis has been a successful business entrepreneur for over 30 years, in that time he has Managed, Owned and Operated many different business's with varied and different business models as well as owning and managing The Atlantis Centre which opened in September 2010.

David has successfully managed corporate business whilst at the same time helped others through holistic wellness programs. As well as being a business professional, David is also a Therapist and Teacher working with Crystals, Colour, REIKI, Hypnosis and NLP.

The Holistic Business Model differs from the main stream Business Model in many ways and the focus must be different, with David's experience and knowledge, he wants to offer his experience and expertise to others so they can be successful and realizes their true potential.

David is available on a One 2 One for private consultation, he is available at the Atlantis Institute or he will come to your premises.
